

Putty Ranch Hog Hunting Guidelines

- 1) Hog hunting is allowed year round.
- 2) Stalking or still hunting hogs is allowed anywhere on the ranch during the non-deer season.
- 3) From the start of deer bow season until the end of the last special deer season, hogs may only be hunted from a stand.
- 4) Dispose of the unused hog carcass in a creek or river bottom.
- 5) No hog hunting from vehicles.
- 6) No dogs allowed for hog hunting.
- 7) Night hog hunting is only allowed from a stationary stand. This is a year round restriction.
- 8) Make a note on the Putty web calendar that you will be hog hunting after dark. This is very important and will keep the Sheriff or Game Warden from visiting you.
